你好，我迷路了，可以向你请教吗？  
Nǐ hǎo, wǒ mílùle,  
kěyǐ xiàng nǐ qǐngjiào ma?

**This is what I hear while using Direct Translate features with earbud/earphone on**

Hello, I'm lost, can I ask you for help?

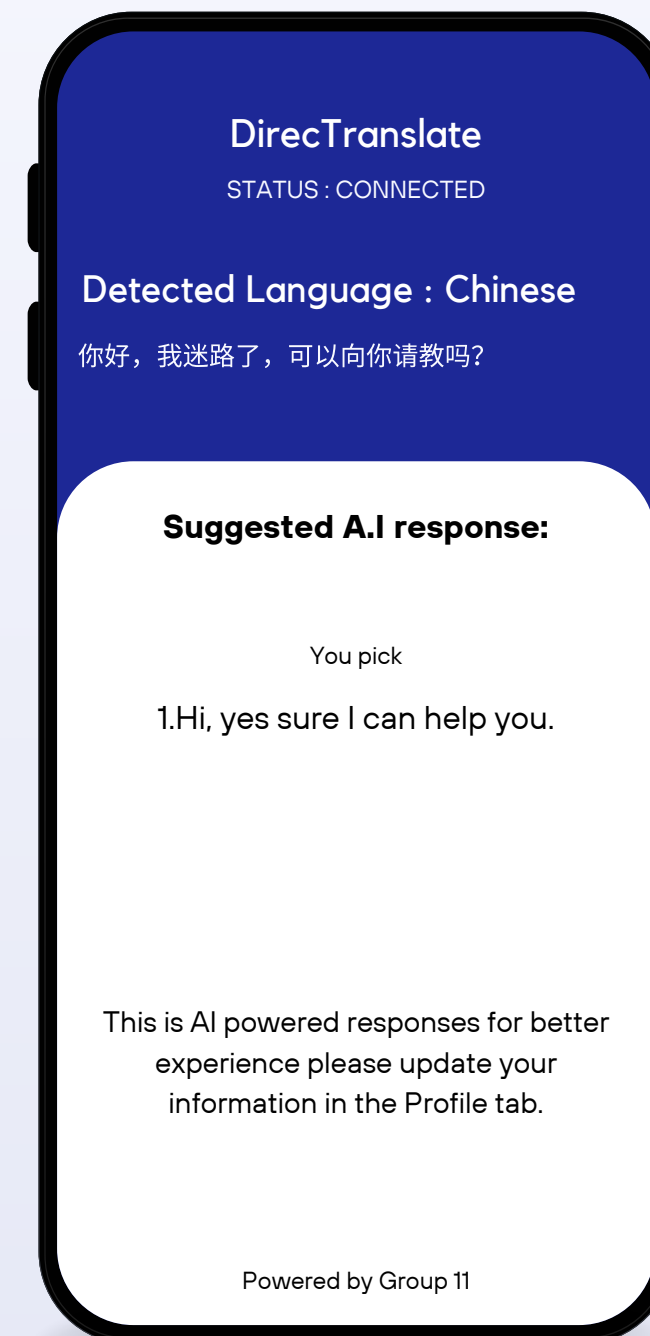

This is not limited to English only, there are more languages can be select in the Setting tab.

Tips : Communication will be much easier and effective if both side uses the features of Direct Translate

This is the situation after I pick one of the suggested responses

**In her mind**

“我以为这家伙不会说普通话”  
“Wǒ yǐwéi zhè jiāhuo bù huì shuō  
pǔtōnghuà”  
“I thought this guy can't speak  
mandarin”
